 - 2. An unrestricted temporary medical license may be issued in an exceptional case to an applicant seeking licensure by credentials. Such an unrestricted temporary license shall remain valid only for a period of time sufficient for applicant to submit required documents and credentials to complete an application for permanent licensure, but in no instance to exceed 30 days.
- B. The Board may issue a temporary license to practice medicine for a period not to exceed 90 days at a youth camp licensed by the State Department of Health to any nonresident physician who is not licensed to practice medicine in this state or to any resident physician who is retired from the active practice of medicine in this state while serving as a volunteer at such camp.
