Part 2615 Physician Assistants

Part 2615 Chapter 1: The Practice of Physician Assistants

Rule 1.6 Supervision. Before any physician shall supervise a physician assistant, the physician and physician assistant must present to the Board a duly executed protocol and obtain written approval to practice in a supervisory arrangement. Protocols will be forwarded to the Board's Physician Assistant Advisory Committee for their review and recommendation prior to disapproval. The facts and matters to be considered by the Committee when reviewing a protocol or supervision arrangement shall include, but are not limited to, how the supervising physician and physician assistant plan to implement the protocol, the method and manner of supervision, consultation, referral, compatibility of practice, and liability.
