WILLIAM SCOTT CAMPBELL, JR., M.D.

CONSENT ORDER

WHEREAS, William Scott Campbell, Jr., M.D., hereinafter referred to as "Licensee," is the current holder of License No. 23065, issued January 30, 2014, for the practice of medicine in the State of Mississippi;

WHEREAS, On July 12, 2016, the Florida Department of Health administratively charged Licensee with violating Section 458.331(1)(t)(1), Florida Statutes (2011), i.e. committing medical malpractice. The charge was based on the Licensee's misinterpretation of a single CT scan of a two and a half year old emergency room patient who presented to the hospital after falling down some stairs. Specifically, the charge alleged that Licensee failed to identify a spinal cord hematoma on the CT. Licensee later re-reviewed the CT scan, identified the hematoma and arranged for the patient's return to the hospital where the hematoma was successfully evacuated. Ultimately the patient was left in a quadriplegic state. On or about August 4, 2016, Licensee entered into a Settlement Agreement with the Florida Department of Health, resolving the administrative charge, and the Settlement Agreement was adopted and enforced by an order from the Florida Board of Medicine (the "Florida Board") on December 15, 2016 (the "Florida Board Order");

WHEREAS, under the terms of Settlement Agreement, Licensee was issued a Letter of Concern, was fined five thousand five hundred dollars (\$5,500), and agreed to reimburse the Florida Department of Health three thousand one hundred ninety dollars and ninety-six cents (\$3,190.96) for investigative/prosecution costs. The Settlement Agreement also required Licensee to obtain five (5) hours of Continuing Medical Education (CME) in the area of pediatric radiology and five (5) hours of CME in the area of the diagnosis and treatment of hematomas within one year of the date of the Florida Board Order;

WHEREAS, pursuant to Subsection (9) of §73-25-29, Miss. Code Ann., the Florida Board Order constitutes another licensing authority's "other restriction placed on a license" and is for that reason grounds for which the Mississippi State Board of Medical Licensure may take action in relation to Licensee's license as the Board may deem proper under the circumstances;

WHEREAS, Licensee wishes to avoid a hearing before the Mississippi State Board of Medical Licensure and, in lieu thereof, has consented to having the restrictions placed on his license by the Florida Board Order placed on his license to practice medicine in the State of Mississippi;

NOW, THEREFORE, the Mississippi State Board of Medical Licensure with consent of Licensee as signified by his joinder herein, does hereby place Licensee's Medical License No. 23065 on **probation** until Licensee has complied with all of the requirements of the Florida Board Order. Licensee shall be advised of the total assessment by separate written notification and shall have a certified check or money order made payable to the Mississippi State Board of Medical Licensure, on or before forty (40) days from the date Licensee receives the aforementioned notification.

It is further understood and agreed that the purpose of this Consent Order is to avoid a hearing before the Board. Should this Consent Order not be accepted by the Board, it is agreed that presentation to and consideration of this Consent Order and other documents and matters pertaining thereto by the Board shall not unfairly or illegally prejudice Licensee or the Board or any of its members from participation in any further proceedings.

Pursuant to Miss. Code Ann. §73-25-63(5), this Consent Order shall not be used against Licensee in any other legal proceedings nor does execution of this Consent Order constitute any acknowledgment of wrongful misconduct or malpractice by Licensee.

MISSISSIPPI STATE BOARD OF
MEDICAL LICENSURE

BY:

Charles B. Mites, M.D.
President

BEFORE THE MISSISSIPPI STATE BOARD OF MEDICAL LICENSURE

IN THE MATTER OF THE PHYSICIAN'S LICENSE

OF

MEISAM H. MOGHBELLI, M. D.

DETERMINATION AND ORDER

THIS MATTER came on regularly for hearing on May 18, 2017, before the Mississippi State Board of Medical Licensure (hereinafter "Board"), pursuant to Title 73, Chapter 25 of Mississippi Code (1972) Annotated. The Board initiated these proceedings on March 29, 2017, by issuance of a Summons and Affidavit against Meisam H. Moghbelli, M.D., (hereinafter "Licensee") setting forth five (5) counts of violation of the Mississippi Medical Practice Act, namely, Counts I, III and V - unprofessional conduct, which includes, but is not limited to being guilty of any dishonorable or unethical conduct likely to deceive, defraud or harm the public in violation of Miss. Code Ann., § 73-25-29(8)(d) and §73-25-83(c); and Counts II and IV - submitting a false application for the renewal years 2015-2016 and 2016-2017, all in violation of Miss. Code Ann., § 73-25-29(8)(f).

Licensee was present at the May 18, 2017 hearing, represented by Honorable Doug Mercier. Complaint counsel for the Board was Honorable Stan T. Ingram. Sitting as legal advisor to the Board was Honorable Ellen O'Neal, Special Assistant Attorney General. Board members present for all proceedings were Charles D. Miles, M.D., Virginia Crawford, M.D., Claude D. Brunson, M.D., S. Randall Easterling, M.D., Charles

K. Lippincott, M.D., William S. Mayo, D.O., William D. McClendon, Jr., M.D., Michelle Y. Owens, M.D. and Jeanne Ann Rea, M.D.

Based upon the evidence and testimony presented, the Board renders the following Findings of Fact, Conclusions of Law, and Order:

FINDINGS OF FACT

1. Licensee was issued Mississippi Medical License No. 20853 on November 6, 2009 with said number valid until June 30, 2017.

2. On July 6, 2015, the Board received information via a letter from the Hattiesburg Clinic, PA, in reference to the Licensee. The letter stated that Licensee was terminated from part-time employment at the Hattiesburg Clinic due to Licensee's use of the automated record keeping system to gain access to and obtain a patient's personal information without valid medical reason. The correspondence further stated and the Board confirmed that Licensee gained access to private healthcare information without the patient's consent in order to pursue the patient romantically. Having conducted an investigation into the matter and based upon the HIPAA offense discovered pursuant to that investigation, on March 27, 2015 the Licensee was terminated by both Hattiesburg Clinic and Forrest General Hospital.

3. In review of Licensee's renewal applications for the years 2015-2016 and 2016-2017, Licensee indicated, in response to Question No. 1, a negative response. The question asks the following:

"...., have you been the subject of any disciplinary action or investigation by any licensing authority, hospital, institution, society, or other government agency?"

4. Licensee's response constitutes a violation of the Board's Administrative Code and State Law in that Licensee knew, or should have known, at the time Licensee renewed his license, of the aforementioned investigation by Hattiesburg Clinic and Forrest General Hospital and subsequent termination.

CONCLUSIONS OF LAW

Based upon the foregoing, the Board concludes that Licensee is guilty of Counts I, II, III, IV and III of the March 29, 2017 Affidavit of Leslie Ross, and that the Board is therefore authorized by Miss. Code Ann. Section 73-25-29 to suspend, revoke or restrict Licensee's license to practice medicine in Mississippi.

ORDER

IT IS THEREFORE, ORDERED that based upon the Findings of Fact and Conclusions of Law enumerated above, Licensee shall attend PBI, Inc. courses in the areas of ethics, boundaries, record keeping and HIPAA. Licensee's failure to complete the above courses within a period of one (1) year will result in further disciplinary action up to and including suspension of license.

IT IS FURTHER ORDERED that Licensee shall reimburse the Board for all costs incurred in relation to this matter pursuant to Miss. Code Ann. Section 73-25-30, with said amount not to exceed \$10,000. Licensee shall be advised of the total assessment by separate notification, and shall tender to the Board a certified check or money order

on or before forty (40) days from the date the assessment is mailed to Licensee via U.S. mail at the address shown on file at the Board.

IT IS FURTHER ORDERED that pursuant to Miss. Code Ann. Section 73-25-27, a copy of this Determination and Order shall be sent by registered mail or personally served upon Licensee or his counsel.

SO ORDERED, this the 18th day of May, 2017.

WHEREAS, the Investigative Staff of the Mississippi State Board of Medical Licensure, hereinafter referred to as the "Board," has in its possession evidence which the Board contends that if produced during the course of an evidentiary hearing, would substantiate that Licensee has violated provisions of the Board's Administrative Code due to noncompliance with the Financial Responsibility terms of his 2014 Recovery Contract Agreement (RCA) by failing to timely pay an invoice for a March 2016 UMMC toxicology laboratory analysis in the amount of \$178.00 ("the violation");

WHEREAS Licensee contends that, to the extent such evidence or facts substantiate non-compliance, such non-compliance, if any, was non-intentional or caused in whole or in part by billing or invoicing irregularities occasioned by a third-party provider;

WHEREAS, Licensee desires to fulfill all terms and conditions of his Recovery Contract Agreement, maintain his license, and avoid the prospect of license suspension or license revocation, and;

BEFORE THE MISSISSIPPI STATE BOARD OF MEDICAL LICENSURE

OF
LAWRENCE EDSSEL STEWART, M.D.

DETERMINATION AND ORDER

THIS MATTER came on regularly for hearing on May 18, 2017, before the Mississippi State Board of Medical Licensure (hereinafter "Board"), pursuant to Title 73, Chapter 25 of Mississippi Code (1972) Annotated. The Board initiated these proceedings on April 3, 2017, by issuance of a Summons and Affidavit against Lawrence Edsel Stewart, M.D., (hereinafter Licensee) setting forth three (3) counts of violation of the Mississippi Medical Practice Act, namely, Count I - having been convicted of violating a federal or state law regulating the distribution of a narcotic drug by virtue of entering a guilty plea in Federal Court for knowingly and intentionally distributing and dispensing a controlled substance outside the scope of professional practice, in violation of Miss. Code Ann., §73-25-29(4); Count II - guilty of prescribing a drug having addiction forming or addiction sustaining liability otherwise than in the course of legitimate professional practice by virtue of issuing a controlled substance with no legitimate justification, in violation of Miss. Code Ann., §73-25-29(3); and Count III - is guilty of unprofessional conduct, including any dishonorable or unethical conduct likely to deceive, defraud or harm the public, in violation of Miss. Code Ann., §73-25-29(8)(d).

Licensee was present at the May 18, 2017, hearing, represented by Honorable Doug Mercier. Complaint counsel for the Board was Honorable Stan T. Ingram. Sitting as legal advisor to the Board was Honorable Ellen O'Neal, Special Assistant Attorney General. Board members present for all proceedings were Charles D. Miles, M.D., Virginia Crawford, M.D., Claude D. Brunson, M.D., S. Randall Easterling, M.D., Charles K. Lippincott, M.D., William S. Mayo, D.O., William D. McClendon, Jr., M.D., Michelle Y. Owens, M.D. and Jeanne Ann Rea, M.D.

Based upon the evidence and testimony presented, the Board renders the following Findings of Fact, Conclusions of Law, and Order:

FINDINGS OF FACT

1. Licensee is a physician licensed to practice medicine in the State of Mississippi, currently holding License No. 11503.

2. On December 9, 2015, Licensee was served an Order To Show Cause And Immediate Suspension of Registration (Certificate No. AS2286311) by Agents of the Drug Enforcement Administration (DEA), as Licensee's continued registration constituted an imminent danger to the public health and safety. Licensee perfected an appeal and an Order To Show Cause hearing was held on March 22-23, 2016. The Administrative Law Judge found that Licensee's registration was inconsistent with the public interest and recommended that Licensee's DEA Certificate be revoked and that any applications for renewal or modification be denied. Said ruling was then upheld by the DEA Administrator.

3. On July 13, 2016, Licensee entered a guilty plea in the United States District Court For the Southern District of Mississippi Western division to a single count

(Count 12) of a 27 Count Federal Indictment. Specifically, Licensee pled guilty to knowingly and intentionally distributing and dispensing a controlled substance outside the scope of professional practice in violation of Section 841(a)(1), Title 21, United States Code, and Section 2, Title 18, United States Code. As a result of said plea, Licensee was sentenced to two (2) years of probation and was ordered to immediately pay a \$5,000 fine.

4. Evidence was presented at the hearing demonstrating, and the Board hereby finds by clear and convincing evidence, that Licensee pled guilty to one felony federal charge of drug distribution and that all remaining 26 counts of the federal indictment were dropped; that Licensee has not been practicing since July 1, 2016; and that Licensee currently does not have a DEA Uniform Control Substance Registration Certificate, having surrendered the same.

CONCLUSIONS OF LAW

Based upon the foregoing, the Board concludes that Licensee is guilty of Counts I, II and III, as set forth in the April 3, 2017 Affidavit of Leslie Ross, and that the Board is therefore authorized by Miss. Code Ann. Section 73-25-29 to suspend, revoke or restrict Licensee's license to practice medicine in Mississippi.

ORDER

IT IS THEREFORE, ORDERED that based upon the Findings of Fact and Conclusions of Law enumerated above, Licensee's license to practice medicine in the State of Mississippi is hereby suspended. However, said suspension is hereby stayed provided Licensee complies with the following requirements:

- (1) Licensee shall take courses in ethics, boundaries and prescribing as offered and administered by PBI, Inc. Licensee shall have a period of one (1) year to complete the above referenced courses.
- (2) Licensee shall maintain at all times full and complete advocacy with the Mississippi Professional Health Program (MPHP) and comply with any and all requirements maintained by the MPHP for life.

IT IS FURTHER ORDERED that Licensee shall reimburse the Board for all costs incurred in relation to this matter pursuant to Miss. Code Ann. Section 73-25-30, with said amount not to exceed \$10,000. Licensee shall be advised of the total assessment by separate notification, and shall tender to the Board a certified check or money order on or before forty (40) days from the date the assessment is mailed to Licensee via U.S. mail at the address shown on file at the Board.

IT IS FURTHER ORDERED that pursuant to Miss. Code Ann. Section 73-25-27, a copy of this Determination and Order shall be sent by registered mail or personally served upon Licensee or his counsel.
