

BEFORE THE MISSISSIPPI STATE BOARD OF MEDICAL LICENSURE

IN THE MATTER OF THE PHYSICIAN'S LICENSE

OF

DOMINIC TRINCA, M.D.

ORDER DENYING REINSTATEMENT OF LICENSE

THIS MATTER came on regularly for hearing on July 30, 2020, before the Mississippi State Board of Medical Licensure (hereinafter "Board"), pursuant to Title 73, Chapter 25 of Mississippi Code (1972) Annotated. Dominic Trinca, M.D. ("Licensee") is seeking reinstatement of licensure pursuant to Miss. Code Ann. Section 73-25-32. Licensee's history with the Board is substantial, containing multiple instances of non-compliance with Board orders and contracts with the Mississippi Professional Health Program. The last formal action of the Board occurred on January 16, 2014, wherein Licensee entered into an Agreed Order with the Board indefinitely suspending his license with the right to petition for reinstatement after expiration of one (1) year pursuant to Miss. Code Ann. Section 73-25-32. Licensee's application for reinstatement was initially denied on April 30, 2020. Licensee now requests a full evidentiary hearing.

Licensee was present and represented by Honorable Philip Chapman. Complaint Counsel for the Board was Honorable Stan T. Ingram. Sitting as legal advisor and hearing officer to the Board was Honorable Alexis E. Morris, Special Assistant Attorney General. Board members present for the proceedings were Jeanne Ann Rea, M.D., President, Daniel Edney, M.D.; Ken Lippincott, M.D.; Charles D. Miles, M.D., Kirk Kinard, D.O.; Michele Owens, M.D., Thomas Joyner, M.D., David McClendon, M.D. and Allen Gersh, M.D.

Based on the exhibits introduced and testimony presented, it was determined that that Licensee's Center for Personalized Education for Professionals (CPEP) evaluation showed multiple deficiencies in competency needed for reinstatement, including but not limited to, gaps in medical knowledge and clinical judgment and reasoning.

NOW THEREFORE, IT IS ORDERED, that the request of Dominic Trinca, M.D. for reinstatement of licensure is hereby denied. However, upon presentation to the Board of an acceptable education plan prepared and supported by CPEP, this Board will consider granting a restricted license so as to permit Licensee to practice in a structured supervised setting while completing the educational requirements recommended by CPEP.

IT IS FURTHER ORDERED that pursuant to Section 73-25-27, a copy of this Order shall be sent by registered mail or personally served upon Dominic Trinca, M.D.

SO ORDERED this the 30th day of July 2020.
