BEFORE THE MISSISSIPPI STATE BOARD OF MEDICAL LICENSURE  
IN THE MATTER OF THE PHYSICIAN'S LICENSE

OF

RAJESH SUBRAMANYA, M.D.

STATE OF MISSISSIPPI

COUNTY OF HINDS

AFFIDAVIT

I, Michael B. Smith, Agent, Mississippi State Board of Medical Licensure, hereinafter referred to as the "Board," do hereby make oath that I have reason to believe and do believe:

1. That **Rajesh Subramanya, M.D.**, hereinafter referred to as "Licensee," is a physician licensed to practice medicine in the State of Mississippi, currently holding License No. 26046, said license is current through June 30, 2020. Licensee reports his area of practice to be Pediatrics.
2. That a records check with the U.S. Drug Enforcement Administration (DEA) on February 11, 2020, concluded that Licensee's Uniform Controlled Substance Registration Certificate No. FS8091833 was issued on January 2, 2019, with an expiration date of February 28, 2022, and includes prescriptive authority in schedules II, IIN, III, IIIN, IV, and V.
3. That on November 19, 2019, Licensee was charged with violating 18 U.S.C. §113(a)(5) *Assault within maritime and territorial jurisdiction-Simple Assault*, and 49 U.S.C. § 46506(1) *Application of Criminal Laws to Acts on Aircraft*. Said charges were identified in United States District Court for the Western District of Tennessee

Case Number 19-cr-20317. In the Criminal Complaint's Statement of Probable Cause, signed by Federal Bureau of Investigation's Special Agent Daryl Murton, it was alleged that, on September 29, 2019, Licensee was a passenger aboard Delta flight 3359 from LaGuardia Airport to Memphis International Airport. During said flight, Licensee committed the aforementioned assault upon a female physician passenger, hereinafter referred to as "Victim". As stated in the Statement of Probable Cause, the Victim, ". . . slept during the September 29, 2019 flight but woke as the plane descended near Memphis to land. Lights were turned on in the cabin in preparation for landing. At that moment, 'Victim' felt as though a hand were pulled back from her breast. She looked at the man seated to her right, and he appeared to be asleep. A short time later, the lights in the cabin were turned off, and thinking she may have imagined things, 'Victim' closed her eyes and laid her head back.....Shortly after this, 'Victim' felt the male passenger's hand go under the sweater she had draped over herself like a blanket, inside her shirt, and under her bra, grabbing her breast. 'Victim' recoiled, and the male passenger used his hand to move up and down on two of her fingers in a sexual gesture. 'Victim' pulled her hand away. The man asked her if he could touch her and she said no. He then proceeded to strike up a conversation with 'Victim' during which he revealed that he was a pediatrician in Oxford, Mississippi named "Raj". Upon learning that 'Victim' was a doctor in residency, he suggested they exchange phone numbers for professional networking purposes." Said Statement continues by elaborating how Licensee's identity was ascertained and he was eventually interviewed by FBI

agents, during which time Licensee admitted to touching Victim's breast without her consent.

4. That on December 12, 2019, Licensee entered a plea of guilty to the aforementioned simple assault charge in the aforementioned court. Licensee was sentenced to probation for a term of one (1) year and ordered to pay \$3,010 in penalties. Subsequent to his conviction, Licensee left the U.S. and relocated to the United Kingdom on approximately January 8, 2020.

#### **COUNT II**
