

**BEFORE THE MISSISSIPPI STATE BOARD OF MEDICAL LICENSURE  
IN THE MATTER OF THE PHYSICIAN'S LICENSE**

**OF**

**JAMES LAWRENCE DELGADILLO, D.O.**

**CONSENT ORDER**

**WHEREAS, JAMES LAWRENCE DELGADILLO, D.O.**, hereinafter referred to as "Licensee," is the current holder of Mississippi Medical License No. 25694, said license number expires on June 30, 2021;

**WHEREAS**, on September 4, 2020, Licensee signed a Stipulation Order before the Medical Examining Board of the State of Wisconsin, and, pursuant to said Order, Licensee will be required to undergo certain reporting requirements, in the event he returns to practice in the State of Wisconsin;

**WHEREAS**, based on the foregoing, the Investigative Division of the Mississippi State Board of Medical Licensure, hereinafter referred to as the "Board," has conducted an investigation into the medical practice of Licensee and has in its possession evidence which, if produced during the course of an evidentiary hearing, would substantiate that Licensee has violated certain provisions of the Mississippi Medical Practice Law, specifically, Subsection(s) (7), (8)(d), (8)(f), (9) and (10) of §73-25-29 and §73-25-83(a), Miss. Code Ann., as amended, for which the Board may revoke the medical license of Licensee, suspend it for a time deemed proper by the Board, or take any other action as the Board may deem proper under the circumstances;

**WHEREAS**, it is the desire of Licensee to avoid an evidentiary hearing before the Board and, in lieu thereof, has agreed to enter into this Consent Order;

**NOW, THEREFORE,** the Mississippi State Board of Medical Licensure, with consent of Licensee as signified by his joinder herein, does hereby restrict Licensee's certificate to practice medicine in the state of Mississippi, subject to the following terms and conditions:

1. Licensee shall provide the Board a written explanation as to why he failed to correctly answer the affidavit questions related to his original application for permanent licensure and his subsequent renewal application. Said documentation shall provide a detailed timeline of events and is due within ten (10) business days of the below execution date.
2. Licensee shall obtain his Prescriber Activity Report via the Mississippi Prescription Monitoring Program each quarter. Licensee shall analyze said report and provide the Board's Compliance Director the analysis in a written statement. Licensee shall provide said statement no later than fifteen (15) business days after the conclusion of each quarter. The first quarter due shall include April, May, and June 2021.
3. Licensee's practice of medicine shall be subject to periodic surveillance by the Mississippi State Board of Medical Licensure to monitor compliance with this Consent Order. The Board's Executive Director, any member of the Board or Investigative staff may perform at any time, unannounced, a patient chart review of a representative sample of those patients treated by Licensee.
4. Licensee expressly agrees he will not seek an appearance before the Board for removal of part or all of the aforementioned restrictions prior to the completion of eight (8) quarterly reviews after the date of this order. There shall be no right to petition for reconsideration until after Licensee has the restrictions from Wisconsin's aforementioned Stipulation Order lifted, or upon the completion of eight (8) quarterly reviews, whichever comes first.

5. Licensee shall reimburse the Board for all costs incurred in relation to the pending matter pursuant to Miss. Code Ann., § 73-25-30. Licensee shall be advised of the total assessment by separate written notification, and shall tender to the Board a certified check or money order made payable to the Mississippi State Board of Medical Licensure, on or before forty (40) days from the date the assessment is mailed to Licensee via U.S. Mail to Licensee's current mailing address.

Should the Board hereafter receive documented evidence of Licensee violating any of the terms and conditions of this Consent Order, the Board shall have the right, pursuant to a full evidentiary hearing, to revoke the medical license of Licensee, suspend it for a time deemed proper by the Board, or take any other action determined as necessary by the Board.

Licensee understands and expressly acknowledges that this Consent Order shall constitute a public record of the State of Mississippi. Licensee further acknowledges that the Board shall provide a copy of this Order to, among others, the Federation of State Medical Boards, and the Board makes no representation as to action, if any, which any other agency or jurisdiction may take in response to this Order.

Recognizing his right to notice of charges specified against him, to have such charges adjudicated pursuant to Miss. Code Ann., § 73-25-27 (1972), to be represented therein by legal counsel of his choice, and to a final decision based upon written findings of fact and conclusions of law, **JAMES LAWRENCE DELGADILLO, D.O.**, nevertheless, hereby waives his right to notice and a formal adjudication of charges and authorizes the Board to enter an order accepting this Consent Order, thereby placing a restriction on his medical license, subject to those terms and conditions listed above.
