**IN THE MATTER OF THE PHYSICIAN'S LICENSE**

**OF**

**ELIS YNGVE OLSON, M.D.**

**CONSENT ORDER**

**WHEREAS, ELIS YNGVE OLSON, M.D.**, hereinafter referred to as "Licensee," is the current holder of Mississippi Medical License No. 25545, issued February 9, 2018, said license number expired on June 30, 2024, although he maintains the inchoate right of renewal;

**WHEREAS**, there are now pending before the Mississippi State Board of Medical Licensure, hereinafter referred to as "Board," certain allegations related to Licensee's practice of medicine;

**WHEREAS**, the Investigative Division of the Board has investigated the medical practice of Licensee and has in its possession evidence which, if produced during the course of an evidentiary hearing, would substantiate that Licensee has violated certain provisions of the Board's Administrative Code pertaining to failing to perform a physical exam of appropriate diagnostic and laboratory testing prior to prescribing medications during the practice of telemedicine, which is unprofessional conduct, likely to deceive, defraud, or harm the public;

**WHEREAS**, the above conduct, if established before the Board, would constitute violations of the Mississippi Medical Practice Act, specifically, Subsections (8)(d) and (13) of § 73-25-29, and § 73-25-83(a) of Miss. Code Ann., as amended; as well as Title 30, Part 2635, Chapter 5 Rule 5.4; and Title 30, Part 2640, Chapter 1, Rule 1.11; conduct for

which the Board may revoke the medical license of Licensee, suspend it for a time deemed proper by the Board, or take any other action as the Board may deem proper under the circumstances;

**WHEREAS**, Licensee wishes to avoid an evidentiary hearing before the Board and, in lieu thereof, has agreed to execute this Consent Order, subject to the terms and conditions as specified below;

**NOW, THEREFORE**, the Board, with consent of Licensee as signified by his joinder herein, does hereby take the following disciplinary action:

(1) Dr. Olson's license (No. 25524) to practice medicine in the State of Mississippi is hereby suspended for a period of ninety (90) days from the date of acceptance of the Consent Order by the Board. Once the terms of this Consent Order are satisfied, Licensee will automatically be returned to the appropriate licensure status and be eligible for renewal without further appearance or order of the Board.

(2) Licensee shall, within six (6) months of the date of this Order, successfully complete Board approved Continuing Medical Education (CME) in the area of Ethics, said course to be selected from the list of Board approved courses attached hereto as Exhibit "A". Licensee shall provide proof of attendance and participation in the course required herein. Any credit received for such CME shall be in addition to the forty (40) hours of Category 1 CME requirements as cited in Title 30, Part 2610, Chapter 2 of the Board's Administrative Code.

(3) Licensee shall obey all federal, state, and local laws, and all rules and regulations governing the practice of medicine. Any further acts of misconduct will result in further action.

(4) Licensee shall reimburse the Board for all costs incurred in relation to the pending matter pursuant to Miss. Code Ann. § 73-25-30. Licensee shall be advised of the total assessment by separate written notification and shall tender to the Board a certified check or money order made payable to the Mississippi State Board of Medical Licensure, on or before forty (40) days from the date the assessment is mailed to Licensee via U.S. Mail to Licensee's current mailing address.

This Consent Order shall be subject to approval by the Board. If the Board fails to approve this Consent Order, in whole or in part, it shall have no force or effect on the parties. It is further understood and agreed that the purpose of this Consent Order is to avoid a hearing before the Board. In this regard, Licensee authorizes the Board to review and examine any documentary evidence or material concerning the Licensee prior to or in conjunction with its consideration of this Consent Order. Should this Consent Order not be accepted by the Board, it is agreed that presentation to and consideration of this Consent Order and other documents and matters pertaining thereto by the Board shall not unfairly or illegally prejudice the Board or any of its members from participation in any further proceedings.

Should the Board hereafter receive documented evidence of Licensee violating any of the terms and conditions of this Consent Order, the Board shall have the right, pursuant to a full evidentiary hearing, to revoke the medical license of Licensee, suspend it for a time deemed proper by the Board, or take any other action determined as necessary by the Board.
