WHEREAS, the Investigative Division of the Mississippi State Board of Medical Licensure, hereinafter referred to as the "Board," has conducted an investigation into the medical practice of Licensee and has in its possession evidence which, if produced during the course of an evidentiary hearing, would substantiate that Licensee has violated certain provisions of the Board's Administrative Code, specifically pertaining to failing to provide oversight of nurses who authorized unapproved medications for the treatment of weight loss and IV infusions, and who also prescribed, administered, or dispensed said medications without a good faith prior examination or medical indication, as well performing acts which assisted in the practice of medicine by unlicensed people;

WHEREAS, the above conduct constitutes violations of the Mississippi Medical Practice Act, specifically, Miss. Code Ann. §§ 73-25-29(8)(b), (8)(d) and (13) and 73-25-83(a), and the Board's Administrative Code, specifically, 30 Miss. Admin. Code Pt. 2640, Ch. 1, R. 1.4, for which the Board may revoke the medical license of Licensee, suspend it for a time deemed proper by the Board, or take any other action as the Board may deem proper under the circumstances; and

WHEREAS, it is the desire of Licensee to avoid an evidentiary hearing before the Board and, in lieu thereof, has agreed to enter into this Consent Order, thereby admitting the facts and allegations set forth herein, subject to the terms, conditions and restrictions as specified below.

NOW, THEREFORE, the Mississippi State Board of Medical Licensure, with consent of Licensee as signified by his joinder herein, does hereby place the following terms and conditions on Licensee's certificate (No. 26298) to practice medicine in the State of Mississippi, to wit:

4. Licensee shall reimburse the Board for all costs incurred in relation to the pending matter pursuant to Miss. Code Ann. § 73-25-30, said amount not to exceed \$10,000. Licensee shall be advised of the total assessment by separate written notification and shall tender to the Board a certified check or money order made payable to the Mississippi State Board of Medical Licensure, on or before forty (40) days from the date the assessment is mailed to Licensee via U.S. Mail to Licensee's current mailing address.

Should the Board hereafter receive documented evidence of Licensee violating any of the terms and conditions of this Consent Order, or of any further action(s) taken related to the facts and terms stated herein, the Board shall have the right, pursuant to a full evidentiary hearing, to revoke the medical license of Licensee, suspend it for a time deemed proper by the Board, or take any other action determined as necessary by the Board.

This Consent Order shall be subject to approval by the Board. If the Board fails to approve this Consent Order, in whole or in part, it shall have no force or effect on the parties. It is further understood and agreed that the purpose of this Consent Order is to avoid a hearing before the Board. In this regard, Licensee authorizes the Board to review and examine any documentary evidence or material concerning the Licensee prior to or in conjunction with its consideration of this Consent Order. Should this Consent Order not be accepted by the Board, it is agreed that presentation to, and consideration by the Board of, this Consent Order and other documents and matters pertaining thereto, including Licensee's answers to questions, shall not unfairly or illegally prejudice the Board or any of its members from participation in any further proceedings.

Licensee understands and expressly acknowledges that, should Licensee challenge or dispute any provision or statement in this agreement during the Board approval process, this Consent Order will automatically be rendered null and void, formal charges will be brought, and this matter shall be set for a full evidentiary hearing at the convenience of the Board.

Licensee understands and expressly acknowledges that this Consent Order, if approved and executed by the Mississippi State Board of Medical Licensure, shall constitute a public record of the State of Mississippi. Licensee further acknowledges that the Board shall provide a copy of this Order to, among others, the National Practitioners Data Bank (NPDB), the Mississippi Department of Health (MSDH), the Federation of State Medical Boards, the Office of the Inspector General, United States Department of Health and Human Services (OIG-HHS), the U.S. Drug Enforcement Administration (DEA), the Mississippi Division of Medicaid, the Mississippi Board of Pharmacy, and the Mississippi State Medical Association (MSMA).
