

Pursuant to Section 73-25-23, Mississippi Code, a limited institutional license is available only to graduates of foreign medical schools who are employed or are being considered for employment to practice medicine in one or more Mississippi state-supported institutions located in the same county.

It is understood that graduates of foreign medical schools holding a limited institutional license, and who are employed by and enrolled in an approved ACGME or AOA postgraduate training program at the University of Mississippi Medical Center, shall be authorized to participate in any postgraduate educational program at the University of Mississippi Medical Center, or any of its affiliated training program sites.

An application for limited institutional licensure may be obtained only upon the written request of the director of the state-supported institution which has employed or is considering employing a graduate of a foreign medical school to practice medicine.

A limited institutional license may be issued for a period of one (1) year for practice in a particular institution after a review and favorable recommendations by a majority of the following:

1. President or Secretary, Board of Trustees of Institution
2. Director of Institution
3. President or Secretary, Local Chartered Medical Society in area in which institution is located
4. Member, Board of Trustees, Mississippi State Medical Association in area in which institution is located
5. Member, Mississippi State Board of Medical Licensure from district in which institution is located
6. Executive Officer, Mississippi State Board of Medical Licensure

In addition to the above requirements for a limited institutional license, an applicant shall meet the following requirements:

1. Must be at least twenty-one (21) years of age and of good moral character.
2. Must present original diploma from a reputable medical college or reputable college of osteopathic medicine.
3. Must submit certified copy of valid certificate from the ECFMG or its successor.
4. Must have favorable references from two (2) physicians licensed in the United States with whom the applicant has worked or trained.
5. Must submit an application completed in every detail with recent passport type photograph.
6. Must submit \$250.00 licensure fee.
7. Must appear for a personal interview in the office of the Mississippi State Board of Medical Licensure; successfully pass the Jurisprudence Examination as administered by the Board; and submit to a criminal background check.

The limited institutional licenses of graduates of foreign medical schools so licensed and employed by a state institution shall be renewable annually based upon the favorable recommendation of the director of the institution by which the licensee is employed. A graduate of a foreign medical school so licensed may hold such limited institutional license no longer than five years. The renewal fee is \$100.00 per year.
