**AGREEMENT TO APPEAR INFORMALLY BEFORE EXECUTIVE COMMITTEE  
BY APPLICANT FOR LICENSURE**

I, **Marco Loayza, M.D.**, have requested an opportunity to appear informally before the Executive Committee of the Mississippi State Board of Medical Licensure (hereinafter "Board") to discuss my pending application for a Mississippi medical license, the current investigation being conducted by the Board, possible grounds for denial, and possible resolution of the matter. It is the purpose of the informal meeting to discuss the facts of the case, to give me an opportunity to ask questions of the Committee or its staff, and to give the Committee or its staff an opportunity to ask questions of me. Because the meeting is informal, no disciplinary action will be taken without my express written consent. In so doing, I have been advised and understand the following:

1. During the meeting, the Executive Committee may or may not be represented by legal counsel. Notwithstanding, I understand that I have a right, if I so choose, to employ legal counsel and have counsel present during the informal meeting.
2. I authorize the Committee Members to review and examine any statements, documentary evidence, or materials concerning the possible grounds for denial of licensure during my informal appearance.
3. Because the purpose of my appearance is to avoid a hearing before the Board, I agree that presentation to and consideration by the Committee of any facts, matters, and documents pertaining to my case shall not unfairly or illegally prejudice the Committee members from further participation or consideration in the event a formal show cause hearing is later conducted. Stated differently, in the event the pending matter is not resolved following my appearance before the Committee, I will not object to any of the Committee members from further participating in subsequent meetings or hearings that may be conducted in relation to this matter.
4. By signing my name in the space provided below, I hereby authorize the Executive Committee to proceed with the informal appearance, subject to the stipulations and understandings as noted above. I have elected to proceed:
