## ***Part 2601 Chapter 2: Effect of Application***

### ***Rule 2.1 | Effect of Application***

The submission of an application for licensing to the Board shall constitute and operate as an authorization by the applicant to each educational institution at which the applicant has matriculated; each state or federal agency to which the applicant has applied for any license, permit, certificate or registration; each person, firm, corporation, clinic, office or institution by whom or with whom the applicant has been employed in the practice of medicine; each physician or other health care practitioner whom the applicant has consulted or seen for diagnosis or treatment and each professional organization or specialty board to which the applicant has applied for membership, to disclose and release to the Board any and all information and documentation concerning the applicant which the Board deems material to consideration of the application. With respect to any such information or documentation, the submission of an application for licensing to the Board shall equally constitute and operate as a consent by the applicant to disclosure and release of such information and documentation and as a waiver by the applicant of any privilege or right of confidentiality which the applicant would otherwise possess with respect thereto.

By submission of an application for licensing to the Board, an applicant shall be deemed to have given his or her consent to submit to physical or mental examinations if, when and in the manner so directed by the Board and to waive all objections as to the admissibility or disclosure of findings, reports or recommendations pertaining thereto on the grounds of privileges provided by law. The expense of any such examination shall be borne by the applicant.

The submission of an application for licensing to the Board shall constitute and operate as an authorization and consent by the applicant to the Board to disclose and release any information or documentation set forth in or submitted with the applicant's application or obtained by the Board from other persons, firms, corporations, associations or governmental entities pursuant to Part 2601, Chapter 2, Rule 2.1 paragraphs 1 and 2, to any person, firm, corporation, association or governmental entity having a lawful, legitimate and reasonable need therefore, including, without limitation, the medical licensing authority of any state; The FSMB; the AMA and any component state and county or parish medical society, including the Mississippi State Medical Association and component societies thereof; the AOA and any component state and county or parish osteopathic medical society, including the Mississippi Osteopathic Medical Association and component societies thereof; the U.S. Drug Enforcement Administration; the Mississippi State Bureau of Narcotics; federal, state, county or municipal health and law enforcement agencies and the Armed Services. It is the intent and purpose of this rule to authorize release of only that licensure information not prohibited from release under Section 73-52-1, Mississippi Code.

Upon submission of an application for licensure to the Board, the applicant shall promptly provide all information deemed necessary by the Board to process the application, including, but not limited to certification of graduation from medical school, photograph of applicant, internship certification and birth certificate. The Board shall have a reasonable period of time within which to collect and assimilate all required documents and information necessary to issue a medical license. If, after submitting an application for medical license, an applicant has failed to respond or make a good faith effort to pursue licensure for a period of three (3) months, the application will be considered null and void, and applicant will have to reapply for licensure, including, but

not limited to, all fees, application, and certifications. Additionally, if after one year from the date of receipt of application, applicant has not received a medical license, the application will be considered null and void, and applicant will have to reapply for licensure, including, but not limited to, all fees, application, and certifications.
