

## WARNING!!!

Dear Licensees:

It has come to our attention that an unknown individual is contacting Mississippi licensed physicians and is posing as an Investigator of the Mississippi State Board of Medical Licensure.

The caller will confirm specific information, such as a medical license or NPI number, which can be easily obtained on the internet, in reference to the physician. The caller advises the physician that he/she is under investigation and attempts to obtain personal information.

Be aware and do not share personal information with anyone over the phone without verifying their identity. It is not the protocol of the Board for an Investigator to call a Licensee to inform him/her that he/she is under investigation. Should you need to verify the identity of an Investigator or other representative of the Board, please call 601-987-3079 and ask for the Investigative Division.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ken Cleveland". The signature is fluid and cursive.
